ARIBAWEB CONTRIBUTOR AGREEMENT

Thank you for your hard work and willingness to contribute your code to the AribaWeb project. We at Ariba, Inc. are thrilled that you have acknowledged the value AribaWeb has to offer the open source community by lending your expertise and talent to make AribaWeb better.

In order to contribute your code to AribaWeb, we ask that you sign this AribaWeb Contributor Agreement ("Agreement"), a legally binding agreement between you and Ariba, Inc. ("Ariba"), so that we both understand and agree with the terms under which your code will be licensed, used, and distributed. We refer to the code you wish to contribute to AribaWeb (including source code, object code, related libraries, scripts, notes and documentation) and any derivative works of your code collectively as your "Contribution".

What We do with Your Contribution

Once you sign this Agreement and deliver your Contribution, Ariba may include your Contribution (in part or whole) in an upcoming scheduled AribaWeb build and subsequently release that version of AribaWeb (including some or all of your Contribution) under the Apache License Version 2.0 ("Apache License"). Ariba will not release your Contribution under any other license. You will retain all copyrights and other intellectual property rights, as applicable, to your Contribution, subject only to the rights you grant to Ariba under this Agreement. Ariba does not guarantee inclusion of your Contribution in any version of AribaWeb.

Your License Grant to Ariba

In order to be able to include your Contribution in AribaWeb, you hereby grant to Ariba:

- a perpetual, worldwide, non-exclusive, fully paid-up, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute your Contribution; and,
- a perpetual, worldwide, non-exclusive, fully paid-up, royalty-free, irrevocable patent license to make, have made, use, import, and otherwise transfer your Contribution, as part of AribaWeb or any derivative of AribaWeb. Such license applies only to those patent claims licensable by you (or persons or entities under your control) that are necessarily infringed by your Contribution alone or by combination of your Contribution with AribaWeb to which such Contribution was submitted.
- You represent that you are legally entitled to grant the above licenses. If your employer(s) has rights to intellectual property that you create that includes your Contribution, you represent that you have received permission to make the Contribution on behalf of that employer, or that your employer has waived such rights for your Contribution.
- You further represent that, except for any segments of the Contribution that are clearly marked in the source code version of your Contribution and identified below, your Contribution is your original creation.

Disclaimers of Warranty and Liability (and other general legal terms)

Subject to your representations above, Ariba acknowledges that you are providing your Contribution AS IS, WITHOUT WARRANTY OF ANY KIND AND THAT YOU DISCLAIM THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

YOU FURTHER AGREE WITH ARIBA THAT NEITHER YOU NOR ARIBA SHALL BE LIABLE TO ANYONE FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL OR INDIRECT DAMAGES OF ANY KIND ARISING OUT OF THE USE OF YOUR CONTRIBUTIONS, EVEN IF THE USER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

This Agreement shall be governed by the laws of the State of California without reference to any conflict of laws provisions. This Agreement may not be modified except in a writhing signed by both you and Ariba.

Please identify any part of your Contribution that is not your original creation below and please remember to identify those code sections clearly in your contribution:
